Our thanks to the following donors of books and magazines: Mrs. Arnold Bailey, Dr. Born, Fred Briscoe, Spikey Cleaves, Alfred Gray, Priscilla Kunhardt, Caroline Lord, Jean Prince, John Schott, Mrs. Starrett, Helmut Sturrow, Dr. Tewksbury, Mrs. Trow, Betsy and Martha Wiederhold, Mr. Wiggin, Ruth Woodworth, Marie Muzzey, Merle Mace and Mrs. Langmaid.

The Library subscribes to the following magazines:

American Girl, Antiques, Boys Life, Curious Naturalist, Down East, Good Housekeeping, Holiday, Horn Book, Horticulture, House and Garden, Ladies Home Journal, Life, McCall's, National Geographic, New Hampshire Profiles, Popular Mechanics, Popular Science, Reader's Digest, School Arts, Seventeen, Sports Illustrated, Time, Vermont Life, Yankee and Peterborough Transcript.

The public sentiment on the new rooms has been complimentary and certainly a thrill for the Library to exhibit and file the books in such a spacious and inviting atmosphere. The rooms are used for varying purposes, while the Children's Reading Alcove is enjoyed by all children.

Through the generosity of RCA and Columbia record Companies, music enthusiasts have benefited: jig saw puzzles were also popular.

The year has been more enjoyable with the capable assistance

of Pamela Irwin and Martha Wiederhold and my continuing gratitude to the Library Trustees.

Respectfully submitted,
Ingeborg Anderson, Librarian

REPORT OF LIBRARY TRUSTEES GEORGE HOLMES BIXBY MEMORIAL LIBRARY

Our major activity this year has been the completion of the Reading Alcove and the Basement rooms. During the months of January to July, we spent much time trying to keep the confusion and dirt of construction to a minimum and not let library service diminish. We certainly thank everyone for their patience, and at this point, we again thank Mrs. Charles Eggert, our former Trustee, without whose "drive" we would never have launched this project.

National Library Week was April 20 to 26, but because of the work going on, we were unable to celebrate it. However Mr. Donald Born did attend the NLW Luncheon in Concord. (The group sent a petition to President Nixon protesting the proposed cutback in Federal funds under the Library Services and Construction Act.)

Mrs. Dodge, who is our representative to the Southwest District Advisory Council, attended the annual meeting, April 17, at the new Keene office.

Mrs. Anderson attended the N. E. Library Association Public Relations Workshop held in Boston at the Hotel Somerset, April 26.

The NHLA — NHLTA Annual Meetings were held at Plymouth State College, June 12 - 13, but unfortunately we were unable to attend.

After putting the finishing touches to the basement rooms and painting the main floors, our Open House was held on Sunday, July 13, from 2 - 5. Mr. Henry Hill, Honorary Trustee; Mrs. Donald Severance, Mrs. Eggert, Mrs. William Lord, Mrs. Anderson and the Trustees were hosts for this occasion. Many people came to see the children's Reading Alcove and the transformation of the basement. Though unable to be present on this day, Mr. and Mrs. George Hill were pleased when they visited later in the summer.

Those two indefatigable ladies, Mrs. Basset and Mrs. McAdam,

again organized the Library Bridge-Tea benefit held at Crotched Mountain Ski Lodge on August 14. It was a great success, everyone enjoyed himself hugely, and the grand total amounted to \$302.80. Mrs. Dodge ran the successful Silent Auction, and Mrs. Bailey was in charge of the elegant tea. The Library is very grateful to all who helped with this happy event.

Our new meeting room was used by the committee for the Labor Day Arts and Crafts table. Here the ladies met to create many of the items to be sold. Here, also, Mrs. Standish catered the luncheon for the officials of the Labor Day celebration. We are most appreciative of the Village Improvement Society's Labor Day gift of "Doll" money.

During the summer, the Selectmen had a new roof put on the Library and since that time we have had ceiling work done, using the balance of the 1968 budget for this purpose.

In November, we attended the Fall Conference Meeting of the NHLTA in Concord. (Dinner meeting followed by Allen R. Foley "North Country Humor")

This Fall, we planned a series of classes in chair reseating with Mrs. Betty Behrsing as instructor. This was most successful and we had a full gathering.

Mrs. Anderson had a series of morning classes to show us how to make many kinds of Christmas decorations — another well-received venture.

The Brownies are meeting with their leader, Mrs. Marsden, on Tuesday afternoons.

We are working on plans for a Crewel Embroidery class, a movie program, children's story hours, and other activities — and we would welcome any ideas you may have.

In our budget for 1970, we would like to increase the item for salaries by \$200.00. We would like to have a telephone installed: most libraries have one and it would certainly facilitate library service. The figure budgeted is \$75.00.

Based on current use, we are rescheduling the hours of the Library:

Wednesday	1 - 7
Friday	4 - 7
Saturday	2 - 5

a total of 12 hours a week.

Heretofore, the Library has been open 11 1/2 hours a week in

the Winter (as Mrs. Anderson opened it at 12:30 on Wednesdays for the school children) and 10 hours in the Summer. This new schedule will be more accomodating to all — and of course if it became necessary to open a little earlier on Wednesdays again, she would.

The Librarian and Trustees hold their meetings on the first Wednesday of each month at 5 p. m. and you are welcome to attend.

The New Hampshire Library Statistics (printed in 1969) shows that for the year 1968, Francestown's circulation per person was 18.3.

It is impossible to thank you all by name, for it is the members of this community — about 500 of you — who contribute to the well-being of your Library, and so through this report, we extend to you our deep gratitude.

Fire Warden's Report

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A *fire permit* is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p. m.*

Exceptions

Commercial or industrial burning is allowed anytime under nor-

mal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

REPORT OF THE HISTORIAN

The Town's new fire truck with a 750 GPM pump and other equipment required by the National Board of Underwriters was delivered in February. All volunteer firemen have been oriented in the proper use of the new equipment.

Much needed ground work and the construction of a new diamond on the Little League baseball field was accomplished in April by volunteer labor and financial aid from the Village Improvement Society.

The roof of the George Holmes Bixby Library Building was replaced in June, including the necessary flashing around the chimneys, under the supervision of the Selectmen. The Library Trustees authorized the work of repairing several of the ceilings throughout the building. Much of this work was completed during December.

The new mobile police radio conforming to the new State Police regulations was installed on the car of the Chief of Police in June.

On Sunday, July 13th, the new rooms in the basement of the Library Building and the Children's Reading Alcove on the first floor in memory of Anne Schott were opened to the public. The new Arts and Crafts and Meeting Room has been in use many times since for meetings and for classes in chair caning, the making of Christmas decorations, etc. Plans are in the making for other arts and crafts groups.

The so-called Bicknell Bridge was replaced during the month of July.

During July the New England Telephone Company completed the cutover of service for Francestown residents from New Boston to Greenfield exchange, bringing the subscribers into the Peterborough Exchange. At this time the Company buried most of its plant underground, improving the appearance of the center of Town.

In October the 4-H Club working with the Town Beautification Committee of the Village Improvement Society planted yews in the triangle in the center of town, and did much needed pruning of the shrubbery in front of the Town Hall. This shrubbery was planted by the Village Improvement Society several years ago. The

Beautification Committee also planted several bulbs around the old watering trough on the triangle.

The Tennis Courts, owned and maintained by the Village Improvement Society, have been resurfaced. It was also voted at their October meeting to continue the maintenance of the skating rink on the land where the former Colburn Store once stood.

At its annual meeting, the Village Improvement Society voted to underwrite the expense of restoring the old Town Hearse. The Historian is attempting to uncover some information about this hearse. She was told that there were two hearses, one for summer use and one for winter use. It is assumed the one being restored is the one once used during the summer months. It is presently stored in the Hearse House located in No. 3 cemetery. The Hearse House Statement included in the Town Report for year ending 1908 reported that \$100.00 had been appropriated for work on the building; that the work of turning the old hearse house, lumber for building a leanto, painting, grading etc. cost \$97.50, leaving a balance in favor of the Town of \$2.50. No record has been found as to when this hearse was last used, but it is assumed that with the appearance of automobiles in town during the early part of the twentieth century, more modern means of transportation were adopted.

In October Paul T. Martz of Dayton, Ohio accepted a call to the Community Church. The Women's Guild of the church contributed the money necessary to modernize the kitchen of the parsonage, preparing it for the occupancy of Mr. and Mrs. Martz.

The Town clock, a product of the E. Howard Clock Company of Waltham, Massachusetts was cleaned and repaired in November. Checking back through old town reports, the Historian found a record in the Town Report for year ending 1912 given by the Town Treasurer as follows:

Amount raised for clock	\$265 00
Received from Alumni Committee	160 22
Paid the E. Howard Clock Co.	470 81
Balance against town	45 59

The Town Dump Road was resurfaced in November, making the dump more accessible particularly during the winter and spring months. The work of widening Bible Hill Road has been in progress. The resurfacing is yet to be done.

The voters checklist as of December 31, 1969 showed 350 qualified voters.

The 1969 estimated population of Francetown was 561 as reported by the State Department of Resources and Economic Development.

To the best of my knowledge, the following Francetown men were serving in the United States Military Service during 1969:

FP 4 Donald Abbott	Sgt. Kenneth A. Hardwick
Col. James D. Caskie	Capt. Robert C. Lord
Lt. James D. Caskie, Jr.	Sp/4 Charles J. McCarthy, Jr.
MM 3/C Ransom E. Cowles	ETR 2 George W. Morgan

REPORT OF BICENTENNIAL AND TOWN HISTORY COMMITTEE

One meeting was held this year, on July 23, to review the Committee's progress to date. The Committee decided to give initial attention to collecting information for the up-dated Town History, rather than at this early date to concentrate on planning the Town's Bicentennial Celebration

Following this meeting, a questionnaire was circulated to 97 owners of some of the older houses in town requesting a variety of information on these houses for inclusion in the Town History. Regrettably, only twelve replies have so far been received. It is hoped, however, that more will complete this questionnaire during the coming year. It is also hoped that residents with material which would help the Committee in preparing the Town History — maps, photographs, family memorabilia, and other documents — will make them available to committee members as soon as possible.

With the Committee's encouragement, the Village Improvement Society has offered \$50 in prize money for an essay contest for the children of Francestown to arouse interest in the town history project and the bicentennial celebration. Rules are to be announced early in the new year.

In 1970, the Committee expects to develop specific plans for the Bicentennial Celebration itself, and to have a first draft of the up-dated Town History completed.

REPORT OF THE CONSERVATION COMMISSION

Brush clearing has been done to open the roadside view of the Soapstone Quarry, certainly a point of historic interest and a dramatic feature of the landscape.

We have worked with children on various natural science projects; and one member attended a workshop, sponsored by the Society for the Protection of New Hampshire Forests, on outdoor children's program's which will help us in planning future activities in conservation for young people.

We were represented at the Governor's Conference on Natural Resources: Nuclear Power-Benefits and Risks; and at the hearing before the New Hampshire Pesticides Control Board — the use of DDT and other chlorinated hydrocarbon pesticides.

The members of the Commission gave the Library memberships in the New Hampshire Audubon Society, the Society for the Protection of New Hampshire Forests, and the New England Wild Flower Preservation Society. These organizations are extremely active in conservation, and the Library receives their publications which include lists of activities such as field trips and classes as well as current information on conservation and legislative action.
